NEWS SPONSOR OPPORTUNITIES

Dear Club 33 Rotarians,

The News is back! And with a new look. This coming year of Judy Thompson's reign, The News will be about what Club 33 and other Clubs in District 5340 and Rotary International are doing or have announced. Occasionally we'll pop in a regular headline—like when the Pad's go to the Series—but the focus will be Rotary.

You have the chance to sponsor each newscast in which you'll get a 30-40 word message to promote or recognize whatever non-religious or non-political organization, person or event you would like. The News Team will reach out before each meeting to get your message. You get all that plus providing support for Club 33 . . . not for \$500, not \$250, not even \$200 but for a one time price of \$150 per message. What a bargain!

Go to this link and choose the dates you would like to sponsor:

<https://doodle.com/meeting/participate/id/bDR678Be>

1. Use the arrows in the upper left of the calendar to scroll through the dates. There will be only one block per week on each valid Thursday.
2. Click the check box on that date and time block.
3. You can scroll through to all the dates you want, or, just do them one at a time.
4. When you've tagged all you want, select the green Submit Your Selection and enter your name and email address.
5. Easy!

*If you decide to not take a date after you've selected it, but before you click the green submit button, be sure to click on the checkbox until it's clear again.

*Choose as many dates as you would like but there's only one sponsor per date so act now before we sell out!

Thanks for your support!
