MILITARY AFFAIRS

MESSAGE TO MILITARY VETERAN MEMBERS OF CLUB 33

We, of the Military Affairs Committee, are very proud of our purpose and activities, but, we could use more help. We currently work with the Armed Services YMCA by handing out food and clothing twice a year, and toys for their youngsters around the holidays. Our other activities include building bikes once a year for military families, every other week during the school year providing food to military families in need on Mondays, and participating in Rotary at Work day by cleaning headstones at Ft. Rosecrans Cemetery. About four times a year we provide and serve food at the USO at the airport to military members departing for training or other assignments. Optional programs include coordinating with other Rotary Clubs' programs, like this week's "Operation Gratitude" with the Coronado club, making packages for a departing ship of servicemen and women.

It is not full time busy work. But we do need more help to do more things. If you are interested, please contact Ginny Ollis ginnyollis@gmail.com or 619-972-7337. You will love the pride you will have and the great group you will be working with!

Volunteer Opportunity!

Opportunity to Host Visiting Rotarian Golfers

The International Fellowship of Rotary Golfers annual tournament will be hosted this year in San Diego September 22-26. The tournament welcomes 168 golfers from around the world that will be competing on the Lomas Santa Fe, Coronado, Encinitas Ranch and Torrey Pines golf courses. The golfers have an open night of activities on Tuesday, September 24 and we are looking for Club 33 Rotary Members who would be interested in participating in Home Hospitality. It can be as simple as inviting a couple of people to their homes, or taking them out to dinner at a favorite restaurant. Or, a group of Rotarians may wish to join forces and get together and host several registrants for dinner somewhere. If you are interested in hosting these golfers contact Susie Callahan at susie.callahan@outlook.com and she will connect you with specific individuals. Your participation would be greatly appreciated.
