Chair Justin Rajah and Vice Chair Amie Brown hosted a table in the lobby this week to promote RYLA.

On the RYLA committee you have the opportunity to interview outstanding juniors in local high schools in January and then select some for Camp RYLA — a very intense and fun 3-day district wide leadership camp held each March. In May you'll have lunch with those students whose lives are changed, listen to their experiences and receive a very moving thank you for the opportunity they've been given.
