

If you missed our January 23rd program, *SSA Benjamin Meyer: Cyber Security Threats*, you may click on the picture below to view a video of it.

The screenshot shows a Zoom meeting interface. On the left, a small video window shows a man in a blue suit speaking at a podium with the San Diego Rotary Club logo. The main screen displays a presentation slide titled "Threats to Individuals" with a list of bullet points and three images. The slide content is as follows:

- Scams and Frauds
 - Romance Scams
 - Investment Scams
 - Tech Support Scams
 - Law Enforcement Scams
- Pig Butchering
- Identity Theft
- Vulnerable Targets

The images on the slide include: 1) A globe with various icons representing different types of threats. 2) A silhouette of a person sitting at a computer, representing a hacker. 3) A man in a uniform talking to a woman, representing a scammer or law enforcement interaction. The slide also features the text "UNCLASSIFIED" and "FBI · CYBER".
