Rotarians At Work Day (S) 2025

Rotarians At Work Day happens the last Saturday in April each year. Started in 2006, Rotarians at Work Day continues to grow. Each year, Clubs around the world identify hands-on projects that all members can participate in to help their local community. The day is a great way to give Service Above Self while helping beautify the greater San Diego community and enjoying the company of fellow Rotarians.

Simply choose a project from the below list and register today!

Please note, there are four days this year where community serviced projects take place. Choose one that fits into your schedule.
