At our tenth annual Peace Awards, Rotary 33 members had the opportunity to stop and leave a note answering WHAT CAN I DO TO CREATE PEACE....

The response reminds us that every small act matters.

Be a light for others in my sphere! • Love on everyone! •
 We are many as one • Always showing up with love, light and joy
 Be positive and friendly • Everyone matters • Be a better listener •
 I will keep prioritizing empathy • I will give others grace •
 I can hold space for others to support their healing journeys • Live
 my life by the Four Way Test • Be curious • Keep sending LOVE out
 in the universe • Be present! • I will listen to understand Eliminate
 situations that lack tolerance • Make space for all types of
 people and perspectives • Love is the answer! • I will build my
 muscles for empathy and compassion • Practice really LISTENING
 to your concerns • Inhale hope, exhale love • I love you! Peace! • I
 smile at strangers • Celebrate the small things!! • I will take a
 breath before I comment • Sending love always • Peace is possible -
 it takes all of us
